

# vikki tyagi

Detail oriented

Networker

Practical

## Thinking

Analysing | Exploring

vikki prefers to take decisions based on feelings or instinct rather than rely on evidence. As a result, vikki tends to pay attention to different views and opinions rather than spending their time analysing data.

vikki prefers following established and proven approaches when dealing with any obstacles. vikki appreciates the need for authority and rules and can adjust easily to this. vikki is generally practical and down to earth but at times may benefit from keeping an open mind to new or novel approaches to problems.

## Connecting

Networking | Collaborating

vikki is someone who feels at ease when connecting with new people and generally has a well-developed network.

vikki tends to keep their opinions to themselves and avoids getting involved in problems of their co-workers. vikki can be quite competitive and may be skeptical about people unless proven otherwise. vikki may take decisions without considering the viewpoints of others.

## Executing

Quality | Result Driven

vikki pays attention to details and enjoys delivering work that is of a high standard.

vikki can lack the energy to complete tasks that they find boring and tends to work in a less systematic manner.

## Progressing

Leadership | Resilience | Adaptability

vikki prefers to work in stable environments and is uncomfortable with dealing with unplanned changes.

vikki generally prefers to work in an individual capacity rather than lead teams.

You generally prefer to work in an individual capacity rather than lead teams.

vikki may feel demotivated when faced with negative feedback or setbacks.

## Role Fit

- Roles dealing with or providing input to senior management or involving tasks that require precision and detail such as drafting communications.

## Organization Fit

- Organisations that value high quality work that is precise and detailed.
- Organisations that emphasize competitiveness and individual performance.
